Vehicle Description

RR CARS has the pleasure of offering another collectors item pristine low mileage Toyota MR2 1.8 VVT-i Roadster 2dr with factory fitted hardtop.

With only 59k (confirmed correct by DVA MOT mileage check) this MR2 is in pristine condition inside and out and won't be faulted in any way, a real investment in every way.

Also comes with the rare factory optional extra colour coded hardtop fitted making the convertible an all year round all weather car, or perhaps you would like to tuck the car away as an appreciating classic or investment and only bring out on dry sunny days for a run. Either way you won't find a nicer one than this just study the pictures or better still come see the car in the flesh.

Engine 1794cc, 4-cyl, Power 138bhp 6400rpm, Torque 127lb ft 4200rpm,

Weight 975kg,

Power-to-weight 144bhp/ton,

Brand new front and rear brake discs/pads just fitted

Alloys with 4 x brand new tyres just fitted

Fresh oil and filter for next owner

Timing chain engine so no timing belt to worry about,

MOT until 12/06/22

It was back-to-basics for the third generation Midship-Runabout two-seater (MR-2). It's loads of fun, with a lightweight body, free-revving responsive engines and a low-slung driving position. It's a proper little sports car, but this is strictly a plaything - there's very little luggage space. With the hood up there's plenty of wind noise, so keep it down unless it's raining hard as the heater's great and buffeting is minimal even at motorway speeds.
